

The Los Angeles Theatre Organ Society was founded in 1961, and owns organs at the Wilshire Ebell, South Pasadena High School, Pasadena City College and Bob Baker Marionette Theater. LATOS members have the opportunity to play pipe organs several times a year at open consoles. LATOS also has access to many other instruments for its events in the southern California area. In addition to its Mission Statement, its key focus today is membership growth, expansion of member activities, promoting the theatre pipe organ to local youth, and encouraging active involvement in the organization.
