Scott Foppiano In Concert

Including Two Short Silent Comedy Films!

This upcoming Sunday, October 6, 2013 at 2:30pm
at the San Gabriel Mission Playhouse on 320 S. Mission Drive, San Gabriel

This upcoming Sunday, October 6th, you will have the chance to experience a unique and exciting concert event featuring artist Scott Foppiano performing on the San Gabriel Mission Playhouse's fabulous Wurlitzer pipe organ. The program will include a variety of popular songs, some selections from the American Songbook, as well as a few seasonal favorites for Halloween. Scott will also accompany two short classic silent film comedies including "Get Out and Get Under" starring Harold Lloyd; and "Habeas Corpus" starring Laurel & Hardy.

Scott performs concerts and recitals on theatre and classical organs, and accompanies silent films throughout the U.S. and abroad. After his solo recital at the Cadet Chapel of the U.S. Military Academy at West Point in July 2007, Scott was named the ATOS Organist of the Year.

Don't miss the chance to hear a unique musical performance by Scott Foppiano, and see two hilarious silent comedy films at the hidden treasure of the San Gabriel Valley, the San Gabriel Mission Playhouse.

\$20: General Audience \$15: LATOS & FOTO members. Under 18 Free.

Special Photo Feature of the South Pasadena High School Wurlitzer

Photos were recently taken of the Barton pipe organ at the Wilshire Ebell theatre, and of the Wurlitzer theatre pipe organ at the South Pasadena High School auditorium. Plans are also being made to photograph the LATOS Wurlitzer pipe organ at Pasadena City College.

This issue features the South Pasadena High School installation, and as you can see in the few samples on these pages, both the instrument and the venue are works of art. The November issue will feature the Barton organ at the Wilshire Ebell.

Once all of LATOS' pipe organs are photographed and documented, photos and information will be readily available for members to see and enjoy.

South Pasadena High School Auditorium (this month's photo-feature).

The auditorium was designed by Architects Marsh, Smith & Powell in 1937

The beautiful black Wurlitzer console with gold-leaf trim.

Uniflex Relay & Digital Voices

Solo Chamber (a few of the many pipes).

Main Chamber (look for more photos soon).

Special Photo Feature, South Pasadena High School, continued:

Traps/Percussions Room (other percussions are in chambers).

Many thanks go out to LATOS Board Member Dorsey Caldwell for his key role in the maintenance of this instrument, and to Mr. Peter Crotty for his generous support of this first class installation.

Membership Meeting

The LATOS' annual membership meeting will be held on Sunday, October 6th, at the Mission Playhouse right after the Scott Foppiano Concert.

Three members will be elected for the board of directors, and there will be a general discussion. The meeting should start at 4:30pm, and take no more than 30 minutes. After the concert, please meet in the front rows near the organ.

Quote of the Month

“Organ playing is the manifestation of a will filled with the vision of eternity.” *Charles Marie Widor*

“Mystery Photo”

Can you guess the name of the artist who is in the picture on the right? The person who sends the *first* email with a correct answer will receive two free tickets to a 2014 spring season LATOS concert, and have the option of their name being published in the next Organ Log. Email your answer to LATOS1@verizon.net

Please Confirm Your Membership Contact Info.

Our Membership Chairman, Bob Kambeitz is in the process of cleaning up the LATOS membership database to assure that each member's mailing information is current, and that we have a current e-mail address in order to provide members with important and valuable information. It would be much appreciated if you could please take a brief moment to contact Bob Kambeitz and confirm your current mailing address, and reconfirm an email address that you would like LATOS to keep on file for you. You can contact Bob Kambeitz via email at: bob-kambeitz-latos@latos.org or by phone at 619-589-0832. *Thank you so much.*
